Lilbourne is a small village nestled between other rural communities, enveloped by green space and agricultural land.
Our vision is to safeguard our unique environment, preserving its rich history while allowing access to its countryside and facilities. Our mixed and balanced population will be sustained by ensuring that further limited residential development meets local need and respects the character of the village. Any new development with its appropriate infrastructure should be relative in scale to the size of our small community. It should enhance the local environment, while retaining the rural nature, open spaces, and character of Lilbourne.
We need your input!
Please take a few minutes to complete our Neighbourhood Development Plan Survey. Your feedback is vital in shaping the future of our village.
How to Participate:

- **Scan the QR code above or type the URL link into your search browser** to fill out the survey online.
- **Hard copies** are available from Sue and Paul at 9 Hillmorton Lane, Lilbourne. Hard copies will also be available at the open event in the village hall on the 5th of October.
